## Inner Vision Yoga Teacher Training Scholarship Information and Guidelines

The Scholarship Program has been funded through the efforts of two Inner Vision Yoga Teacher Training students. It is intended as a full or partial scholarship to make it possible for people who have been students of IVY for at least 6 months to attend the Advanced Training. It is a "Pay-it-forward" program we wish to continue. Each year the person(s) who receive the scholarship will be responsible for helping to organize the fundraising effort for the following year, as part of the graduation project.

Pre-Requisite for Applying for the Scholarship:

Must have attended IVY classes regularly (average of two/week) for at least 6 months prior to applying. You may apply your scholarship to any 200 hr TT program start date through 2013.

To apply for this scholarship, please write an essay explaining:

- What draws you to want to participate in the Teacher Training program?
- Besides the possibility of teaching, what other reasons do you have for taking this program?
- What do you plan to get out of your experience?
- Some information about your personal journey
- Your financial need
- How long you have been practicing at IVY

Applications will be considered only once a year. All applications FOR ANY Teacher Training Session with a start date through 2013 must be received by August 15th 2012.

Along with your application please submit:

Three Recommendations – at least one of these needs to be from someone in the IVY community (not directors of the program)

Once we have narrowed the applicants to two finalists, we will contact you for an in-person interview.

Upon acceptance into the program, a \$100 fully refundable deposit is required. You will be expected to complete all the requirements for the program within two years after starting. Upon Graduation and helping to organize the fundraising effort for the following year, your refund will be returned to you.
